

Covid-19 SmartPhrase Note Templates

This tipsheet reviews the steps to find COVID-19 SmartPhrase note templates.

Try It Out:

1. Enter the **required note type** in your blank note window.
2. Type “.COVID” in the body of the note.
3. **Select the note template** from the list of choices. Templates exist for admission notes, progress notes, transfer notes, and discharge instructions for the patient. There are also screening and tele-medicine templates as well.
