

# Include CDC current recommendations re Covid-19

*Nurses, LPNs, or any clinicians who prints out AVS*

This tip sheet will show how to include CDC up-to-date information on Covid-19 in AVS

CDC Covid-19 Education information is available in English, Spanish, & Chinese

## Try It Out:

- Open After Visit Summary
- Select Language
- Select + next to “CDC Covid-19 Education” to include it as part of the AVS
- Select “Print”

The screenshot displays the Epic EHR interface for an 'After Visit Summary' (AVS) for an inpatient patient. The patient information header includes details such as Patient Name (Orders, Jacob), DOB (9/17/1984), Sex (Female), Patient Age (35 y.o.), MRN (1589), Insurance (NEW YORK MEDICAID), Loc (BE DIALYSIS), CSN (182270), Patient Class (Inpatient), Dictation ID (None), Allergies (No Known Allergies), Health Care Proxy (None), Height (None), Weight (None), Weight Source (None), My Sticky Note, Attend Prov (GO INPATIENT, A), TT (None), Diagnosis (Abdominal pain CH...), Registries (Congestive Heart Fa), Religion (Christian), FYI (None), MyChart (Pending), and TPO (None). The left-hand navigation menu shows various document types, with 'After Visit Summary' selected. The 'Available Documents' list includes 'Visit Summary - Healthcare...' and 'CDC Covid-19 Education'. A red box highlights the '+' icon next to 'CDC Covid-19 Education', with a callout stating: 'select "+" to add "CDC Covid-19 Education" to AVS'. Below this, a language selection dropdown menu is shown, with a red box highlighting the 'English' option and a callout stating: 'CDC Covid-19 Education Materials can be available in English, Spanish & Chinese'. The main content area shows the printed AVS document, which includes the following sections:

- Instructions:** Talk with your provider about your medications. ASK how to take: acetaminophen 325 MG tablet (TYLENOL). Review your updated medication list below.
- Why you were hospitalized:** Your primary diagnosis was: Change in Bowel Habits. Your diagnoses also included: Acute On Chronic Systolic Congestive Heart Failure (Hcc), Chf (Congestive Heart Failure) (Hcc), Chest Pain On Breathing.
- Current Visit Procedures:** Past Procedures (9/17/2019 to 2/5/2020): Colonoscopy, Diagnostic. Providers: Physician Go Gastroenterology, MD.
- Medications Administered for This Admission:** Table with columns for Date and Medication. Entry: 2/10/2020, 1/13/2020.
- Allergies:** You are allergic to the following.
