

DEFEND AGAINST CORONAVIRUS

To protect our patients, visitors,
and staff, we have implemented
new visiting guidelines:

- + Sick visitors will not be allowed to visit patients.
- + Visitors must be age 12 or older.
- + Only one visitor per adult patient.
- + Two visitors per patient in Pediatrics/NICU
(parents, guardians, or family care partners only).
- + Two visitors for obstetric patients
(partners and grandparents only).

Thank you for
your cooperation.
