

What You Can Do to Fight COVID-19

TEST

Know your status. Get free COVID-19 and antibody tests.

TRACE

Answer the call of our Contact Tracers to help stop the spread of COVID-19 in your community.

TAKE CARE

Safely separate to protect others and take care at a hotel or home.

The NYC Test & Trace Corps is committed to protecting the privacy and security of your personal and health information. All information we receive is confidential and protected under the New York City Health Code. The Test & Trace Corps will not ask about anyone's immigration status.

Take Care to Protect Yourself and Protect Your Loved Ones From COVID-19

Safely separate at a Free, Private Hotel Room.

If you have been diagnosed with COVID-19 or were in contact with someone who tested positive, you can qualify for a hotel room during your separation period to protect and keep your loved ones safe.

Take Care Hotels are safe, comfortable and convenient. All services are free. Children are welcome.

If you choose to separate in a Take Care Hotel it will not affect any other benefits you receive.

Take Care Hotels will not affect your ability to apply for permanent residency (green card).

Additionally, medical treatment or preventive healthcare services related to COVID-19 will NOT be considered under the public charge rule.

The following services are provided FREE at a Take Care Hotel:

- Round-trip transportation to and from the hotel and any necessary medical appointments
- Private rooms and bathrooms
- Onsite COVID-19 testing
- Free Wi-Fi and Cable TV
- Unlimited local phones calls to stay connected
- Breakfast, lunch, and dinner daily*
- Interpreter services
- Medication delivery
- Onsite health care support provided by skilled doctors and nurses
- Telepsychiatry to access expert mental health providers

Book your room today.
