More Hospital Workers and Gotham Health Staff Eligible

Effective today, NYC Health + Hospitals staff eligible for the COVID-19 vaccine has been expanded to include the following areas:

All clinical and non-clinical healthcare workers who work anywhere within an acute care facility (hospital) or Gotham Health Center.

As a reminder, eligible staff include employees, affiliate staff, house staff, volunteers, or vendor staff who are nurses, providers, environmental services workers, food service workers, clerks and any others who work in these high-risk facilities.

Vaccine Appointment Scheduler Available from Any Device

If you meet the above criteria, please visit the COVID-19 Vaccination Scheduler, either at work or on your mobile device, to confirm your eligibility and select the day and time of your appointment.
