Health Care Flexible Spending Account Program (HCFSA): Allows employees to pay for eligible out-of-pocket health care expenses on a pre-tax basis, with deductions taken directly from salary. This reduces your gross salary for federal and Social Security tax, resulting in tax savings. During this Grace Period, you may submit claims for eligible medical expenses incurred from January 1st through March 15th, using the remaining balance in your Plan Year account, if any. However, in the event that you are unable to submit HCFSA Program claims by the end of the Plan Year or accompanying Grace Period, a Claims Run-Out Period is provided, during which you may submit claims for services performed during the previous Plan Year or accompanying Grace Period.

Plan Year: January 1st, – December 31st

Grace Period: January 1st, – March 15th

Claims Run-Out Period: January 1st– May 31st

(If you do not submit claims for eligible expenses incurred during the Plan Year or the Grace Period by May 31st, you will forfeit any money remaining in your HCFSA for Plan Year).

Enrollment in HCFSA remains in effect during the Plan Year and your status cannot change unless an approved Qualifying Event occurs mid-year. Enrollment is **not** automatic from year to year. You must re-enroll each year during the annual Open Enrollment Period.

Dependent Care Assistance Program (DeCAP): Employees are able to pay for eligible dependent care expenses on a pre-tax basis, with deductions taken directly from paychecks. These deductions reduce your gross income on your W-2 Form for federal and Social Security tax purposes. The minimum annual contribution is \$500 and maximum annual contribution is \$5,000 (reduced to \$2,500 if you are married and file a separate federal income tax return).
