

## Attention all VAX AMBASSADORS! Enroll in the **COVID-19 Vaccine Education & Communication e-Learning Suite**

The COVID19 Vaccine Education and Communication E-Learning Suite offers a 2-part module series aimed to:

- Educate on all currently authorized COVID19 vaccines, the development process, safety profiles and key facts.
- Train on effective communication strategies as trusted messengers on discussing COVID19 vaccines with patients, staff, family, community including guiding principles, word and phrase choice, how to debunk myths, and addressing the most common myths.

**Training Duration: Approximately 35 minutes**

Enroll by logging into PeopleSoft ELM or [CLICK HERE](#)

- 1** Once on the home page, under "Find Training", type in COVID-19 Vaccine Education and hit Enter.
- 2** Once training appears, click on "Enroll".
- 3** Then select "Go to Course".

**Stay informed! This training should be completed as soon as possible.**

Check out the [Learning Academy](#) on the Insider to see other learning opportunities.

You can access the Learning Academy by using a computer from any of our NYC Health + Hospitals facilities or with VPN/Remote Desktop.
