## Getting Paxlovid for COVID-19 in NYC has never been easier!

Visit a mobile **Test to Treat** location to get test results in 15 minutes, speak with a clinician and, if eligible, receive **Paxlovid on site**. If you test positive at another testing site or using an at-home test, please call **212-COVID19** (212-268-4319) to speak with a clinician and determine if you can have **Paxlovid delivered that same day!**
