MEDICAL SPENDING CONVERSION (MSC) PLAN YEAR 2022

INSTRUCTIONS:

PREMIUM CONVERSION PROGRAM

The MSC Premium Conversion Program allows you to pay for health plan deductions on a pre-tax basis. This program is automatic; however, it is not mandatory. Refer to the MSC Premium Conversion section in the Flexible Spending Accounts Program Brochure for detailed information.

If you pay a premium for your New York City health benefits coverage, you may decline to pay for those premiums on a pre-tax basis by completing Section II.

Your waiver of this benefit will remain in effect indefinitely unless you experience an approved mid-year Qualifying Event or change to pre-tax status during the Open Enrollment Period. During the mid-year, you must notify the MSC Program Administrative Office within thirty (30) days after the Qualifying Event in order for the change to be effective.

If you wish to change your post-tax status, please complete Section II by checking the box to rescind your declination. If you are rescinding your declination mid-year, you must also complete Section III.

Please Note:

This form is not valid if you have not completed Section I, II, III (for mid-year) and IV.

This form is not valid if Section V has not been completed by your agency's Human Resources Department, NYCAPS personnel or HR Shared (if applicable).

This form is not used for waiving City health benefits in order to receive an incentive payment.
