

To ensure a smooth transition from Active to Retiree status, it is recommended that you begin planning for your retirement 4 - 6 months, prior to your retirement date.

Retirement Planning

Step 1

*4-6
months
before
retirement*

You are a member of the New York City Employees' Retirement System (NYCERS). Ask yourself:

- Am I eligible to retire? How do I decide on my retirement date?
- Am I eligible to continue my health insurance coverage, vision, and dental benefits as a retiree?
- For those 65 or older, must I apply for Medicare Parts A and/or B?
- What are my distribution options for my TDA 403(b), DCP 401(k), and/or 457 Plan?

Before you file with NYCERS, you may have some questions. When can I expect to receive my first pension check? How much will it be? What deductions will come out? Can I do direct deposit? Does it benefit me to buy back time now? Please contact NYCERS directly at 347-643-3000, for any questions you may have. Note, if you file online, you will receive a confirmation page at the end of the online process, which you can download and provide to HR. Contact HR to discuss/complete the necessary off-boarding paperwork.

Review other retirement plan options (if applicable)

If you are enrolled in NYC Health + Hospitals' TDA 403(b) Plan, please contact one of our TDA Education Representatives at Empower (formerly Prudential) to discuss your distribution options.

If you are a member of the City's DCP 401(k) and/or 457 Plan, for distribution options, please contact DCP Plan Administrators directly.

- Note, employees have the option of using their lump sum payment to contribute towards their TDA 403(b), 401(k) or 457 retirement plans, subject to annual limits. For more information, please see your local HR.

Make Your Decision

Step 2

*3-4
months
before
retirement*

Before you officially submit your Intent to Retire notice to your supervisor and human resources, you must first decide when you want your last day physically at work to be.

- **If you are a Group 11 (Managerial) employee**, your retirement date will be the first day after your last day physically at work/paid. Any leave balances that may be due to you, will be paid in a lump sum.

- **If you are a Group 12 (Union) employee**, you will remain on payroll until you exhaust your Leave balances. Your retirement date will be the first day after your last day paid. Or instead, you can be paid in a lump sum. If you wish to be paid in a lump sum, you must put your request in writing. Your retirement date would then be the first day after your last day work/paid.
- **For Group 12 (Union) employees who choose to remain on payroll exhausting your leave balances**, please do not file your retirement with NYCERS, until you have received your last day paid document from HR.

File Your Retirement Application with NYCERS

Step 3

*1-3
months
before
retirement*

NYCERS recommends that you file your retirement application online.

NYCERS' Call Center Representatives are available. For in-person counseling, please call 347-643-3000 or login to your MyNYCERS account, if you need to schedule an appointment

Tier 1 and 2 members must file at least 30 days before your retirement date and no more than 90 days before your retirement date. Earlier is better.

Tier 4 and 6 members must file at least 1 day before your retirement date and no more than 90 days before your retirement date. Earlier is better.

- NYCERS website: www.nycers.org
- If you have a MyNYCERS account, please login to your account, and submit your retirement application online.
- If you do not have a MyNYCERS account, first go online and set-up an account, and then submit your retirement application online.
- Or you can download the new NYCERS Mobile App at the App Store or Google Play, and submit your retirement application from your smart phone.
- If you are unable to submit your retirement application online or via phone, you have the option to complete a paper application, sign/date, have notarized, and either place in a secure Drop Box at NYCERS' 340 Jay Street entrance (M - F, 8am - 5pm), or mail directly to NYCERS at 30-30 47th Avenue, 10th Floor, Long Island City, NY 11101.
 - **Tier 1 Application:** <https://www.nycers.org/sites/main/files/file-attachments/511.pdf>
 - **Tiers 2, 4, and 6 Application:** <https://www.nycers.org/sites/main/files/file-attachments/521.pdf>

- NYCERS will not be issuing retirement receipts. However, you will get confirmation that your application for retirement has been submitted online.
- Once you have submitted your retirement application to NYCERS, for any follow-up questions, you must contact NYCERS directly at 347-643-3000 or submit a Service Inquiry Request through your MyNYCERS account.

Your health care plan with the City of New York, Health Benefits Program becomes your secondary coverage. Before you contact Social Security, have your local HR complete a Request for Employment Information form on your behalf: tinyurl.com/MedicareAB, which you will need to submit to Social Security, when applying for Medicare Parts A and/or B.

- It is important to note that if you are enrolled in EmblemHealth (HIP) as an Active employee, please contact your local HR or HRRetirementServices@nychhc.org, for a special EmblemHealth (HIP-VIP) application, as you will also need to complete the application, in addition to the Health Benefits Application (HBA). A copy of the HIP-VIP application and the HBA should be submitted directly to both OLR and EmblemHealth. In addition, a copy of your Medicare card or Award letter, which includes your Medicare Beneficiary Identifiers (MBI) number, and effective dates for Medicare Parts A and B, must be submitted.

Union/Welfare Fund Benefits

Step 6

If you are a **Group 11 (Managerial) employee**, please note Central Office HR will provide information to the Management Benefits Fund (MBF), letting them know you are retiring, and to continue your dental, vision, etc., as a Retiree.

If you are a **Group 12 (Union) employee**, you must contact your Union directly regarding what you will need to do in order to continue your union benefits (dental, vision, etc.).

For any questions related to retirement, please contact HR Retirement Services at (646) 694-6554 or HRRetirementServices@nychhc.org
